

International Systemic Constellation Intensive 2017

Oct, 4th – 8th 2017 in Siegsdorf, Germany

„Tomorrow is only the future if it is not a repetition of today“

Orienting towards Transformation using Systemic Constellation Work

The Intention of this Training Workshop is to explore and discover basic principles of Transformation-Oriented Systemic Constellation Work.

Participants have the opportunity to present personal and professional issues and questions. We will be working with them, knowing that learning, evolving and healing is the same movement.

This workshop is for professionals out of the international community of systemic constellation work.
